Homework: Writing a Cover Letter

This document defines homework assignments from the "Teamwork and Personal Skills" Course @ SoftUni. Please submit as homework a single **zip** archive holding the solutions (source code only) of all below described problems.

Problem 1. Write a Sample Cover Letter

Following the best practices learned in the "Writing a Cover Letter" lesson, **find a job ad** and **write a cover letter** for applying for this job position. The job ad should at least partially match your skills. Submit in your homework:

- A copy of the job ad (e.g. a PDF or HTML document)
- Your cover letter for this ad (e.g. a PDF document)
